Venue: Bhaikaka Bhavan, IEI, Gujarat State Center, Ahmedabd-380006, Gujarat, India

Invitation for Participation and Paper Presentation

I, on behalf of all the organizers, invite you to participate in the two days National Seminar on “Pollution Control, Cleaner Production and Chemical Security- Issues and Concerns” on 19-20, September 2018.

The main highlights of the Seminar are Expert Talks on the relevant topics from field professionals, GPCB, GCPC, CPCB and Academia. The targeted audience for the seminar is industry people, government officials, academicians from institutes and universities, UG/PG students and research scholars.

We have also planned the special sessions for the presentation of papers on related topics, project, dissertations, and Research work from UG, PG and PhD/research Scholars in the areas like Wastewater Treatment, Air Pollution Monitoring & Control, Solid Waste Management, Hazardous Waste Management, Environment Impact Assessment, Cleaner Production and Cleaner Technologies, Chemical Safety program etc. The Guidelines and the formats for abstract and papers for the presentation are enclosed.

I hence request you to please give wide publicity among your student fraternity and encourage them to participate and present their work. Please also encourage your faculty members to participate in the seminar.

Registration fees for students is Rs. 250/- and faculty, IChE, IE, SPCBs, CPCBs and GCPC is Rs. 300/- only. Please refer the attached Brochure for the details.

Prof. Ms Greeshma Nair may please be contacted for any clarification if required-(M) 9824650622

With Regards,

Prof. H R Shah (Convener)
