Date: 13/08/2024

Time: 10:30 AM to 1:00 P.M.

Class: All Semesters, CE, IT, CSE, ICT

No. of Participants: 200+

Learning Outcome:

This competition was very creative & interesting for our students. After completion of the competition, students will be able to:

- Creative Art Drawing with unique ideas.
- Develop Art and Nation Spirit.
- Enhance skills of New Ideas for Nation

About Competition:

The "Art of the Nation" Patriotic Drawing Competition is an exciting initiative designed to engage students in celebrating national pride and historical heritage through artistic expression. This competition invites students to create drawings that reflect their love for their country and the values it stands for.

Objective: To Participate in the “ART OF THE NATION” Competition

In this competition the aim is to find creativity, patriotism and artistic expression among students. The aim for the competition was to enhance patriotism among students. As many as 200+ students participated in the competition enthusiastically depicting the life of our Freedom Fighters through colourful Paintings. The Winners were awarded by trophies.
