TRENDS IN EDUCATION PROGRAMME

Under ISTE Chapter-SAL EDUCATION

Institutional Membership No. : IM-1746

ISTE Student Chapter: GJ-051

ISTE Faculty Chapter: GU-076

Name of Institute: SAL Institute of Technology & Engineering Research, Ahmedabad

Date: 12/12/24

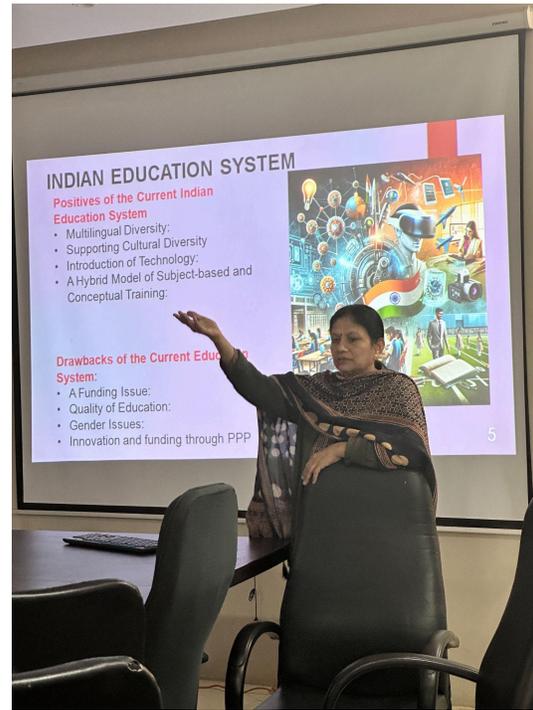

The session on "**Trends in Education Programme**" was conducted by the esteemed speaker **Dr. Bhavna Soni**, I/C Principal, Sal College of Engineering, in the presence of our 38 respected faculties. This session delves into the evolving landscape of education, highlighting key trends shaping the future of learning. It will cover the parts of the integration of technology in classrooms through artificial intelligence and virtual learning environments, the rise of personalized and competency-based education, and the growing emphasis on soft skills, global citizenship, and mental health awareness. The discussion also explores the role of experiential learning, interdisciplinary approaches, and the need for lifelong learning to address the demands of a rapidly changing world. This session aims to provide valuable insights for educators, policymakers, and stakeholders to adapt and innovate in the education sector effectively.

Topics covered:

The main objectives of an FDP are as follows:

1. Technology Integration in Education
2. Personalized and Competency-Based Learning
3. Soft Skills and Holistic Development
4. Global and Interdisciplinary Perspectives
5. Sustainability and Ethical Education
6. Lifelong and Continuous Learning
7. Assessment and Evaluation Innovations
8. Future of Educator Roles
