Summary of the Event-			
<p>The SSIP cell of SAL education campus has organized an event called "IDEATHON 2022" from December 22nd to 24th, 2022. The event brought together groups of students from various universities to pitch their innovative ideas. The three-day event provided a platform for the participating teams to showcase their creativity and problem-solving skills. The event aimed to provide a space for students to share their unique perspectives, collaborate with peers, and gain exposure for their ideas. Participants were given the opportunity to network with industry experts and receive valuable feedback on their projects. The event was expected to be an exciting and enlightening experience for all who participated.</p>
