

Success Story

Commencing Implementation of Work-package-2 at SAL EDUCATION CAMPUS

Brief Details

❖ Session 1 : Soft Skill in Higher Education

- Name of University/Institute: SAL Institute of Technology & Engineering Research
- Date of event: 28 April 2018, 2 hrs session
- Name of Module: Soft Skill in Higher Education
- Number of participants: 20
- Project coordinator: Prof. Simple Doshi
- Name of Trainer from SAL: **Prof. Harshit Bhavsar, Prof. Manish Patel**, Prof. Rekha Patel & Prof. Ravi Raithatha

❖ Session 2 : On Interactive Learning

- Name of University/Institute: SAL Institute of Technology & Engineering Research
- Date of event: 13 June 2018, 2 hrs session
- Name of Module: Interactive Learning
- Number of participants: 33 (Same selected faculties for WP3 training)
- Project coordinator: Prof. Simple Doshi
- Trainer from SAL: **Prof. Manish Patel, Prof. Rekha Patel**

Brainstorming & Design experience:

It was really a transformative experience to participate in Work-package-2 of ERASMUS+ CABCIN project. It given us an aspiring chance of receiving knowledge & experiences from the highly professional trainers from all European partners. We all are grateful to Dr. Kamila Ludwikowska from Wrocław University of Science and Technology (Poland) & Sal Management to such endeavour opportunity.

To deliver the same to all trainers from SAL, we did rigorous brainstorming within the team members & management. We decided to first focus on the ideas and elements which is require to upgrade & can fit within the institute environment & faculties requirement. So, we designed the structure & prepared the teaching material of two session's i.e.

Session 1 : Soft Skill in Higher Education

Session 2 : Interactive Learning

Some Highlights of session 1:

1st Session on Soft Skill in Higher Education by Sal trainers conducted on 28 April 2018, for 2 hrs from 10: am to 12:30 pm. This session is designed focusing on improvement & enhancing soft skill of faculties. Prof. Ravi Raithatha started the event with introduction of CABCIN. Prof. Ravi conveyed the idea & vision of the project & how we all can improve ourself under this project. Harshit Bhavsar delivered the session focusing two topic i.e. emotional intelligence, Team work & Collaboration, Time management, Critical Thinking with Problem solving hand on activities. Later Manish Patel conducted the session focusing on topic Communication feedback by live demo of different kinds of feedback.

Some Highlights of session 2:

2nd Session on Interactive learning by Sal trainers was successfully conducted on 13 June 2018, 2:00. This session is designed focusing on improvement & introducing new trends of interactive learning. Interactive learning Training is aimed relatively independent strategies that teachers can adopt to invoke learning in their students. To enhance Curriculum design in view of deciding on a systematic curriculum approach that reflects systemic choices for typical objectives and interactive learning activities.

Sal Trainer tried their best to develop the session in accordance with above focuses as well as which can be accommodated in SAL education system. Session had two parts; first part was conducted by Prof. Manish Patel on Metaplan & Interactive questions. Second part by Prof. Rekha Patel focuses on topic Video Assessment, collaborative learning & Peer assessment with hand on activities.

All the participants were very enthusiastic & thankful to CABCIN project for organizing such sessions to raise the standards of staff as well as for their pedagogic growth. It was a blended learning experience to participate which changes the mindset & helped to transform themselves.

Glimpses of first Session

Introduction about ERASMUS+ CABCIN Project by Prof. Ravi Raithatha

Session by Prof. Harshit Bhavsar on Soft Skill & Time Management

Session by Prof. Manish Patel on Understanding necessity & Importance of Feedback

Participants Activities

Glimpses of second Session

Session by Prof. Manish Patel on Metaplan

Session by Prof. Rekha Patel on Collaborative learning & video assessment

Participants Activities on metaplan

Participants Activities on metaplan

Participants Activities on Collaborative learning

Participants Activities on Collaborative learning
