INNOVATION
COUNCIL**
(Ministry of Education Initiative)

SAL Institute of Technology & Engineering Research

& SAL College of Engineering

Webinar

On

**“HOW TO PLAN FOR START-UP AND LEGAL & ETHICAL
STEPS”**

17th MARCH, 2021.

Principal : Dr. Bhavna soni

Conducted by - Asst.Prof.Dipen Modi

Coordinator :- Asst.Prof Bhavik Padhiyar

Date: 17/03/2021

Venue:, SAL Education Campus

Mode of Workshop: Online – Google meet

Title of Workshop: “**HOW TO PLAN FOR START-UP AND LEGAL & ETHICAL STEPS**”

No. of students Participated: 48

No. of faculties Participated: 8

No. of external Participated (if any): Nil

Objective:

To enable the participants to develop a creative and large number of ideas into successful products. Most importantly, to make participants aware of how startups works .indian government and the Gujarat government have introduced SSIP for young students . The aim of this webinar is to motivate and convert their novel work into successful products through various funding schemes available.

The action plan of this initiative is focussing on three areas:

1. Simplification and Handholding.
2. Funding Support and Incentives.
3. Industry-Academia Partnership and Incubation.

So this is nobel attempt of IIC council to aware about startup & generate new statup form campus.

About the Event:

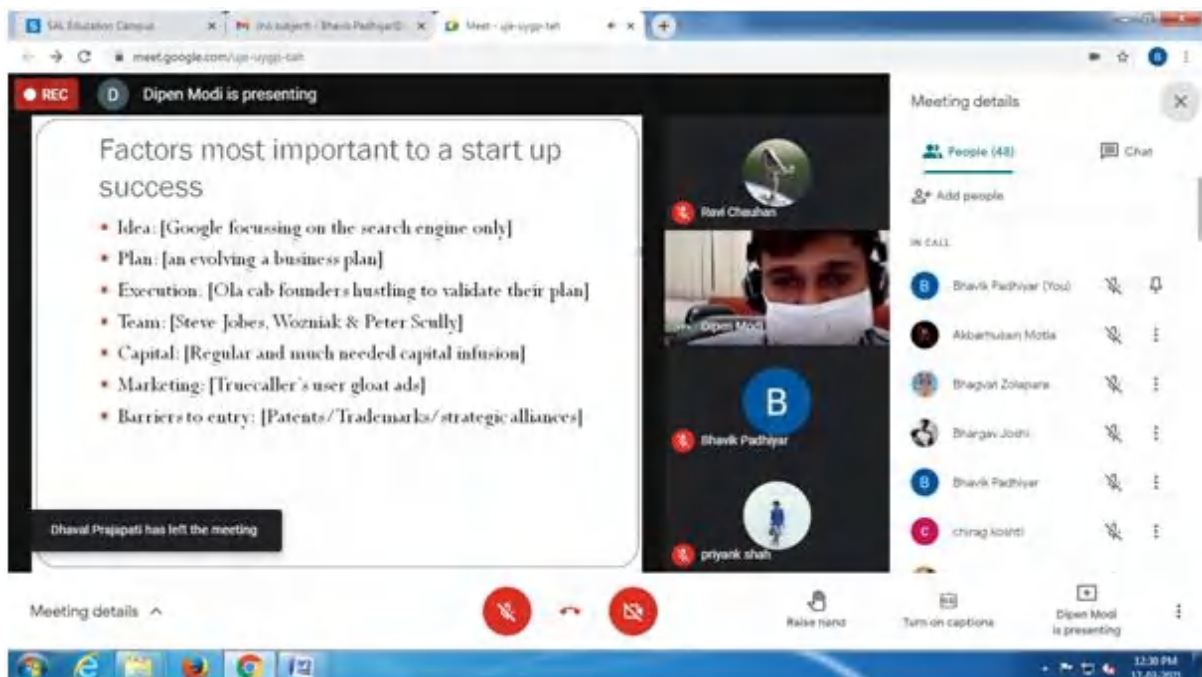

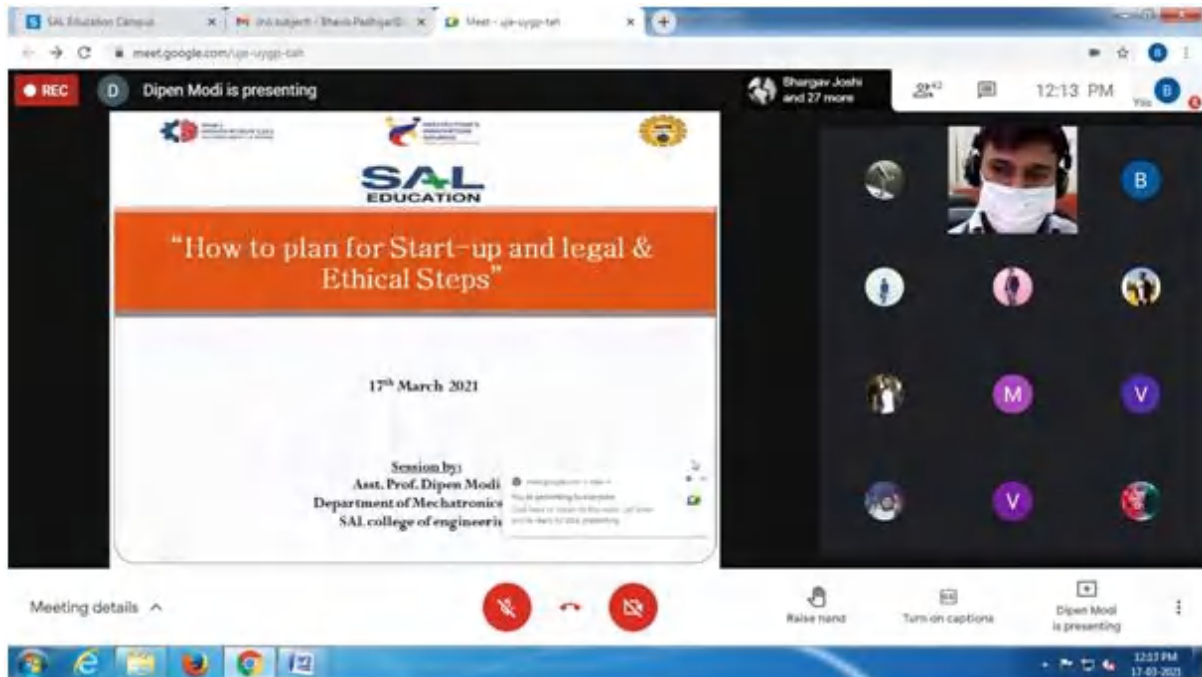

Mechtronicas and mechanical engineering department , -SAL Education Campus- have organized a Webinar on “**HOW TO PLAN FOR START-UP AND LEGAL & ETHICAL STEPS**” for the Students and faculties. This session was organized to introduce about the importance of startup methodology and most importantly to give emphasize on right side of brain which deals with the creativity and helps us to see problems as interesting opportunities and we do not give up easily.

Highlights of the Workshop:

Webinar with 57 participants was conducted via online mode of Google Meet. The link of the same was shared to the students and faculty members: <https://meet.google.com/uje-uygp-tah>

The webinar was started with the basic introduction of the START-UP and the make participants aware that the Ministry of Human Resource Development (MHRD), Govt. of India has established Innovation Cell (MIC) to systematically foster the culture of Innovation among all Higher Education Institutions (HEIs) and MIC has envisioned encouraging creation of “Institution’s Innovation Council” (IICs) across selected HEIs.

The speaker started the session with the basic meaning of idea and focused on how a systematic plan and suggestion can give rise to various innovative cultures.

In the last the speaker made this as an interactive session and guided students to prepare different sheets from which they can think in a broader and innovative way. Speaker made them realize that in such a modern and digital world how important it is to think and to ideate the ideas. So in totality the sessions were quite interesting and participants also interacted and asked questions at the end of the session to satisfy their inquisitiveness and this made the webinar more lively.
